**ABOLISH SOUTH AUSTRALIAN CIVIL AND ADMINISTRATIVE TRIBUNAL (SACAT)**

**This is a call to Save Our Elderly and Vulnerable**

SACAT has abused its powers over personal and family affairs for far too long. Do you know someone who has been trapped by a guardianship order? Are they being falsely imprisoned, drugged or socially isolated in a nursing home or care facility? Have you been prevented from seeing a loved one and you cannot understand why? Is this person's home, assets and estate being seized and liquidated with no consent and no right of appeal? A growing number of aware and effected citizens believe that these Tribunals are facilitating a covert Eugenics program to furnish state coffers.

**It could happen to you too!!!**

A temporary incapacity could get you a dementia diagnosis, then someone could put a guardianship order on you! Valid advanced care directives (ACD) and enduring powers of attorney (EPOA) can be revoked in days. Your finances and estate can then be controlled by the Public Trustee and sold off.

**EDUCATIONAL EVENT**  
Noon Sat 6 July 2024  
Moseley Square  
Glenelg
