Of (School) _____
Class _____ Aged _____

Statement and Claim of Non Consent & Notice of Liability has been served upon you.

To the Principal,

I make this statement with my parents' full support.

It is my freewill and decision to not attend any class that makes me feel uncomfortable discussing anything to do with, gender theories and/or sex education. That includes ideas and content that do not respect my age, religion, beliefs and moral convictions, relating to such topics.

This is against my free will and beliefs, both personal and religious, and I do not consent to such teachings.

It is a requirement that I am respected as an individual with choices and boundaries, and not have personal ideologies forced upon me.

Listed below are links that help support my rights. I will not be attending classes that make me feel uncomfortable anymore and will be leaving any conversation relating to my request.

If you wish to discuss this matter further you are required to contact my parent(s)/carer/guardian by email.

I draw Principals, teaching and administration staffs' attention to:

Article 18 section 4 of the International Covenant on Civil and Political rights:

[AUSTRALIAN HUMAN RIGHTS COMMISSION ACT 1986 - SCHEDULE 2 International Covenant on Civil and Political Rights \(austlii.edu.au\)](http://austlii.edu.au/au/other/humanrightscommission/act/1986/schedule2/)

Principle 2 of the Declaration of the Rights of the Child:

[AUSTRALIAN HUMAN RIGHTS COMMISSION ACT 1986 - SCHEDULE 3 Declaration of the Rights of the Child \(austlii.edu.au\)](http://austlii.edu.au/au/other/humanrightscommission/act/1986/schedule3/)

I respectfully remind you Australia is a signatory to the ICCPR. The ICCPR is scheduled and codified into the Human Rights Commission Act 1986.

This means teachers will be in breach of Federal Legislation and subject to prosecution if they continue to teach this content against my wishes.

Furthermore I will remind you that any child cannot be discriminated against, bullied and/or vilified, by any teaching staff, principal, administration staff or another student for exercising their lawful rights, the offending teachers and/or parties will be in breach of legislation specific to each state as well as federal legislation.

Whilst on school premise you are responsible for each child's safety and well being which includes my state of mental health.

This is a Notice of Liability, if any harm is caused to above named student and my non consent is not adhered to, further action may be taken.

You are required to respond in acknowledgment of this letter via email within 14 days.
